**Art. 5) Waiting time / Delays.**

The transport of passengers includes 30 minutes of free waiting time for the arrival formalities to be carried out by Ships' Agents.

On every other occasion, each hour of delay / waiting time, will be charged with an extra amount of euro 125,00 per hour pro rata.

Such surcharge to be applied also in the following cases:

- From booked hour to the actual departing time in case of passengers transportation or from the loading commencement in case of goods transportation.
- From the time of arrival till the time of departure in case of intermediate stoppages not depending from the motor barge.
- In case the goods to be transported arrive at the loading terminal with different Suppliers at different hours, eventual waiting times will be charged as delays.

**Remarks :**

Whenever during transshipping operations from truck to the motor barge some goods were found unfit for the slinging / lifting and/or for the transportation, (i.e, broken pallet, unsafe packaging, etc.) our personnel will provide the securing of pallet with a new pallet or a protective film, etc. Pictures of goods will be taken before and after these operations and same will be charged at euro 50,00 per pallet. Ship's agents will be promptly informed before to start the procedure.

Same tariff of euro 50,00 per pallet will be applied in case of delivery by the vessel to the motor barge of exhausted pallets or wasted packaging. Same tariff will be used for a proper disposal to the appropriate plant.

**Art. 6) Special auxiliary services.**

Auxiliary services different from those indicated in the art 1 & 2 (i.e. hire of the boat, operative assistance, etc.) will be charged at euro 200,00 per hour pro rata in addition to the basic tariff.per each boat used.

Services to be requested at least with two hours of notice.

Boat Company is keeping the right to accept the request subject to operational requirements

In case of arrival formalities, boat company shall guarantee the boat availability in any case.

**Art. 7) Surcharges.**

Surcharged to be applied of basic rates are the following:

Days	Daily hours 08.00 – 19.59	Night hours 20.00 – 23.59	After hours 24.00 – 07.59
Monday to Friday	////	50%	80%
Saturday	50%	80%	100%
Sunday / Holidays	80%	100%	150%

For services commenced in one time band and completed in another, higher tariff will be calculated
